B. RFP Aerial Truck FFFD/EMS

On August 14, 2020 the Town Clerk, Billie Jo Sharpe, opened the bid envelopes for the RFP Fort Fairfield Fire Rescue Department. Katahdin Trust Company offered a 5, 10, or 15 year at 2.59%, 2.97% and 3.37% fixed interest rates respectively with no prepay penalty with monthly payment of $11,554.46, $6,270.66 and $4,613.75. Aroostook Savings and Loan offered a 5,7,10, and 15 year at 1.9%, 2.25%, 2.60%, 3.10% fixed interest rates respectively with no prepay penalty with monthly payments of $11,347.15, $8,357.82, $6,147.67, and $4,513.15.

It was discussed that Notice of Award be given to the 7-year term with Aroostook Savings and Loan as it was best suited for the Fort Fairfield Fire Rescue Department.

Recommendation: That Council accepts the Notice of Award given to Aroostook Savings and Loan for the RFP Bid on $649,000.00 for a term of 7 years no prepay penalty, with a 2.25% fixed interest rate and a $8,357.82 monthly payment.

Mr. Kilcollins made a motion to accept Notice of Award given to Aroostook Savings and Loan for the RFP Bid on $649,000.00 for a term of 7 years no prepay penalty, with a 2.25% fixed interest rate and a $8,357.82 monthly payment.

Mr. Butler seconded.

Discussion:

Mr. Smith commented that the Ladder truck is not here yet.

Deputy Chief Browning replied that if its not here this evening, it would be here by tomorrow evening. Deputy Chief Browning spoke to the driver and was told he was going to stop this evening to fuel up and rest.

Mr. Smith recommended that Council hold of this because there has been no discussion on a final negotiated price. I think we should take the time to look it over, have Public Works and Autotronics look it over and have the Fire Department try it out and then
talk to Andrea about price negotiations. They are still asking $649,000 for the truck. “I think we are putting the cart before the horse to approve that amount if we can get it cheaper than that.”

Mr. Hanson replied that we are hoping to negotiate the price down. This would allow us to move forward.

Mr. Smith – stated he would like to wait a few days until Andrea returns and everyone has had a chance to look at it and make a decision then. “We can have a special council meeting.” “How much time do we have before we approve this loan?”

Chief Newell replied ten days from arrival of the truck.

Mr. Smith – How long on the loan?

Mr. Hanson replied he could not answer that.

Mr. Butler – We are approving the amount of $649,000, If we negotiate the price down, then we go back and get a better rate. We should not have to come back and vote of something we already approved.

Mr. Hanson commented that the discussion was that we would only borrow the amount we needed.

Mr. Butler – “We are approving up to $649,000 and if we get the Truck for $532,000, it is already taken care of. We wouldn’t have to come back and vote again on a lower price. This is a maximum price that we are going to allow them to pay for the truck.

Mr. Babin stated that we have been approved for up to $649,000 from Aroostook Savings and Loan. If we need less, we borrow less.

Mr. Kilcollins – I see no reason not to approve this amount and if it’s cheaper then it is in our favor.

Mr. Babin – Once the inspection is done, we get the green light?

Deputy Chief Browning – replied yes after all inspections are done and we feel the truck is safe, equipped and will serve the Town for twenty years or so. We do hope to negotiate the price.

Vote: Mr. Butler – Aye
Mr. Smith – As written, No.
Mr. Kilcollins – Aye.
Mrs. Libby – Aye.
Mr. Babin – Aye.

Motion passed 4-1
VII. New Business

A. Dog Park, Riverside Park

Ms. Powers has discussed with the Public Works Director, Darren Hanson and Recreation Director, Kevin Senal the possibility of placing a municipal dog park in Fort Fairfield. We are all in agreement that Riverside Park, farthest end from Town, would be the ideal location for such a park. The proposed park would be 90’ x 50’ fenced in with a small agility course, waste receptacles, baggies for waste collection, signage, and seating. The estimated cost for the entire park is $5,317.00.

Ms. Powers suggests implementing policies for the Fort Fairfield Municipal Dog Park for the safety and comfort of our citizens and their dogs. These policies should be posted at the park, along with the hours that the park is open from. Policies adopted by the Municipality such as, dogs must wear a collar with a valid license and have current vaccinations; handlers must pick up after their dog(s) and dispose of the bagged waste in the containers provided; dogs must at all times be under the control and supervision of their handlers; children under 12 must be accompanied by an adult; food and glass containers are not permitted for either human or canine; cats are prohibited; and puppies and female dogs in heat are not allowed in the park.

This would be an added service to our citizens giving dogs a safe space to exercise and roam around freely, allowing dogs to socialize with other dogs, and allowing owners a chance to be physically active with their pet.

Recommendation: That the Town Council approves the Fort Fairfield Municipal Dog Park to be located at Riverside Park.

Mr. Smith made a motion to approve the Fort Fairfield Municipal Dog Park to be located at Riverside Park.

Mr. Butler seconded.

Discussion:

Mr. Babin asked if there were people that requested there be a dog park.

Mr. Hanson replied yes.

Mrs. Libby asked who would maintain the park, Public Works?

Mr. Hanson responded, yes most likely with some Policing as well.

Vote: All Affirmative.

B. ATV Access Route Request, Riverside

On July 17, 2020, Chief Newell mailed a letter to twenty-eight residence on Riverside Avenue regarding a proposed ATV access route along that road, as proposed by the Fort Frontier ATV Club.
The letter, which is attached, asked residents if they supported or opposed this route as proposed by the ATV club. Of the twenty-eight letters sent, Chief Newell received twenty returns. Eleven residents support this ATV access route and nine oppose it. One survey supported with restrictions.

This came about from a request from Kendall Stratton of the Fort Frontier ATV Clubs request for an access route on Riverside Avenue (East). This will be dependent upon if the State approves access to cross the Bridge. If the State approves the bridge access then Council may approve Riverside Avenue as an access route connecting to Limestone.

Discussion:

Mr. Smith – What is the Police Department’s recommendation?

Chief Newell – I am not opposed to the Riverside Avenue access; however, I am opposed to bridge access because the bridge is so narrow and it could be a safety issue with all the big heavy trucks coming across.

Mr. Kilcollins – Snowmobiles have been crossing that bridge for years 10-15 years and there haven’t been any fatalities.

Chief Newell – I am very cautious about saying yes to ATV traffic on that bridge.

Mr. Babin – years ago we did have State permission.

Chief Newell – It will give the ATV club a lot more access to the other areas as we are limited here in Fort Fairfield. I am not opposed to allowing that Riverside access.

Mr. Butler – that will bring other traffic from Limestone to Fort Fairfield and open up trails north too.

Mr. Kilcollins made a motion to accept the access route on Riverside Avenue as proposed.

Mr. Butler seconded. Vote: All Affirmative.

C. Sergeant Promotion – Chief Newell

“I look forward to working closely with Sgt. Eagles, as we continue to serve this wonderful community with integrity, pride, and excellent service.”

Sergeant Eagles received congratulations from Staff and Council.
