VIII. New Business

A. EMS Proclamation 17-03 – Chief Vince Baldwin- President Gerald Ford authorized EMS Week in 1974 to celebrate EMS practitioners and the important work they do in our nation's communities. In the Town of Fort Fairfield, EMS members include volunteer firefighters, emergency medical technicians, paramedics, first responders, and police officers. This year, May 14 through May 20 has been designated Emergency Medical Services Week. Mr. Risner read the proclamation and it was presented to EMS personnel by Chair Jason Barnes.

B. Municipal Clerks Week Proclamation 17-06 – Mr. James Risner - Municipal Clerks Week has been observed since 1969. In 1984 and in 1994, Presidents Ronald Reagan and Bill Clinton, respectively, signed a Proclamation officially declaring Municipal Clerks Week the first full week of May and recognizing the essential role Municipal Clerks play in local government. This proclamation is to recognize the accomplishments to the Office of the Municipal Clerk, their vital part they have in local government, how they strive to improve the Municipal Office in participation of education programs, seminars, workshops and meetings. Although it is one of the oldest positions in local government, few people realize the vital services Municipal Clerks perform for their community. The attached Press Release lists just a few of the many duties your Municipal Clerk may do (are you attaching the Press Release to the Minutes? If not, I would remove the sentence). Mr. Risner read the proclamation and Chair Jason Barnes presented it to Ms. Hersey, the Town Clerk.

Chair Barnes then went on to present Ms. Hersey a Certificate of Appreciation for her service as Council Secretary.

Mr. Risner asked Council Chair if Item I – All-Terrain Vehicle Trails, under new business could be moved in front of C- Comprehensive Emergency Management Plan. Chair Barnes approved the change.

Overall, our expenses are lower than our budget projection; 72.81% compared to the budget projection of 75%. Cash flow is very good with a balance of $25,238.38 in checking and $1,400,000 in savings after completion of Warrant #20 on April 7. The Towns annual audit is scheduled for July 10th and 11th.

The financial audit was approved for 2016, there were no difficulties or no material weakness and we were in the black. We also looked at some alternative methods for heating our recycling center. Mark has also found some portable litter screens, these are being used by larger landfills throughout the country. Tri-Community was approached by an anaerobic digestion company regarding the elimination of waste products and they will be making a presentation on Friday.

D. Presentation of Fiscal Year 2017/2018 Town Budget – Mr. James Risner presented the FY 17/18 budget and stated that he is still working with Superintendent Doak as he builds the MSAD #20 budget. The FY 17/18 deficit is $248,289, the Towns portion of that is $100,143 and the MSAD #20 portion is $148,146. Some adjustments have been made with an overall reduction in expense and reserve accounts in the amount of $79,958. E. Update on Community Bandstand – Mr. James Risner - We received three quotes from local companies for the replacement of the community bandstand. The three quotes, listed below, were given to the Town’s insurance provider, who accepted the KPEL Industrial Services quote.

   Buck Construction, Inc., Mapleton
   To erect the material provided by Fifthroom $37,875.00
   To purchase material from Fifthroom $114,200.00
   Total = $152,075.00

   KPEL Industrial Services, Inc., Fort Fairfield
   To build and install an all metal structure.
   $81,952.34
PNM Construction, Inc., Presque Isle
To build and install an all metal structure.
$98,870.00

Mr. Hanson and I have met with Mr. Pelletier of K-PEL Industrial Services, and Mr. Pelletier is confident that the bandstand will be in place in time for the 70th Annual Maine Potato Blossom Festival.

There was a brief discussion on the bandstand being brought back to the original state, looking like wood rather than metal. I recall that only Mrs. Libby wanted to see pictures; am I mistaken?

F. Stephen and Tabitha King Foundation Grant- Chief Baldwin - The Fire Department received a grant on March 15th in the amount of $25,000 from the Stephen and Tabitha King Foundation. The Fire Department applied for the grant in December, 2016 to purchase tools and equipment to outfit the Department’s fire trucks and bring the fire trucks up to minimum standards. The estimated cost of the requested tools and equipment was $27,315.

The award of this grant is an example of the work Town staff is doing to find resources that help reduce the tax burden on our taxpayers.
