Background: As is customary in the past to aid the Town with cash flow during the 2nd and 3rd quarters of the Fiscal Year (FY), a TAN has been voted on and approved at Council Meetings. E. Prepayment of Taxes through a Tax Club – Ms. Leighton

Background: Prepayment of taxes is authorized by 36 M.R.S.A. §506.

Discussion: For several years the Town has offered a Tax Club so that taxpayers can pay their taxes in 12 monthly payments. Payments are made from July to June and are due on or before the 10th of each month.

The Town commits taxes on October 1, so payment of any taxes prior to that date is a prepayment. Based on information I received from Maine Municipal Association’s legal services, the Town Council needs to approve prepayment authority each year, and that prepayment is only for the next annual tax commitment, not for multiple future tax commitments.

Mr. Kilcollins made a motion that Council authorizes the Tax Collector to establish a Tax Club for the 2020 – 2021 tax commitment.

Mr. Smith seconded.

Discussion: Mr. Smith asked it was a considerable amount of savings for the Town by having residents make early payments.

Ms. Powers replied, yes, it is good for all. Vote: All Affirmative.

F. Staff Support to Town Boards, Commissions and Authorities- Ms. Sharpe

I respectfully request that moving forward; all Boards, Committees, Commissions, and Authorities consider electing a Secretary from their members to take the minutes for their meetings. Town staff; specifically, the Town Clerk and Deputy Clerk simply do not have time to do this along with all other duties of the Town Office and it sometimes takes one staff member away from the Town Office when a meeting is held during the hours that the Town Office is open.

The Town Clerk will continue to serve as Council Secretary according the Town Charter.

I understand that this change may affect most By-Laws.
I have checked with other Town Clerks in the area and most do not provide secretarial support to their Boards, Committees, Commissions and Authorities and all agree that they are simply too busy.

Town Staff is more than happy to post agendas at the Municipal Building, in Town, and on the Town website and Facebook pages.

Recommendation: Town Council approve that all Town Boards, Committees, Commissions and Authorities elect a secretary from their members to take and record the minutes for their meetings.

Mr. Kilcollins made a motion that Council approve that all Town Boards, Committees, Commissions and Authorities elect a secretary from their members to take and record the minutes for their meetings.
