I. Roll Call - Chair David McCrea asked that the record reflect all councilors present.
II. Prayer – Councilor Mark Babin offered the prayer
III. Pledge to the Flag - All in attendance pledged their allegiance to the Flag.
IV. Public Comment Period –

Gary Sirois shared concerns with the Council regarding the state of repair of the Pollack Building that is adjacent to his storage facility. His concerns have been shared with the current owner and the Town as the owner of the land for the past two and one half years with no discernible action from either party. He also expressed concerns regarding the fact that the current owner has not paid his lease payment and the town has not done their due diligence to collect those funds.

Dan shared with the Council that the town’s responsibility was to determine if the structure was in eminent danger of collapsing and to that end have had John Strid, a contractor look at the building and Tim Roix an engineer examine the building and provide written reports that indicated the structure though in poor repair was not in eminent danger of collapsing.

Dan also shared that there is an interested party to purchase the business and plans on addressing the structural integrity of the building. Dan and Tony will continue to monitor the situation.

Tony – Today I attended Tressa Hetherington’s funeral who was the first female Town Councilor and served six consecutive terms totaling 18 years. This was the longest tenured Councilor in Fort Fairfield’s history. I would ask for a moment of silence in her memory.

V. Correspondence and Reports
A. Licenses/Permits- NONE
B. Financial Report – Dan – We have completed our second month of the new year and everything is pretty much status quo. On the income statement under interest on taxes and liens is a debit of $22,186.86. This is related to the personal property taxes that were charged off last month. This is a balance sheet adjustment and should not have been on the profit & loss statement. This has been corrected and will show up on next month’s statement. On the expense side, office supplies expense line is high for this time of year, which is due to two bulk purchases of paper and certified mail envelopes. We have
executed the line and will need to draw down funds sometime in October.

C. Tri-Community Landfill Report – Next meeting scheduled for September 20th

D. Fire Department Report – Mike Jalbert – This morning we had the annual inspection of the Dike, there were a few minor problems. It was explained to them that we would correct these problems if they would furnish us with the 2012 report. We should be receiving the 2012 & 2013 reports in the next couple of weeks. October is Fire Prevention the month and on October 8th from 5:30pm to 8:30pm we will be having an open house, possibly including the police department. We also had the safety inspection for the SHAPE program with the department of labor and things went very well. Normally the recertification’s are for two years, however it is being recommended that the Fort Fairfield Fire Dept. gets recertified for four years. We have been working on revamping the volunteer’s payroll. In the past all our EMS first responders haven’t been getting paid, they have been responding to calls for free.

Dan – Mike has done a very nice job working with Darrel Boucher who runs Crown Ambulance. We had notified Crown that we wouldn’t be able to pay the $40,000 subsidy because of budget issues. So Mike has been working with Crown so that they can still service Fort Fairfield even with the budget issues. He is doing a great job in maintaining this working relationship.

David – Because of us having to cut back on that, it seems all parties are on board with making it work as well as we can. Has it changed the service as far as coverage and having ambulances here and having them staffed?

Mike – It has changed a little bit, what they were doing before was providing two EMTs, one Paramedic and at least a basic. They covered the Town 24/7 with the occasional Fort Fairfield / Presque Isle town line coverage. Recently what is happening, because they are trying to revamp and save money they are using the Fort crew occasionally for long distance transfers. So there are a few times that they are gone for an 8 hour period that there is not an ambulance in town, but they are still covering us from Presque Isle. With working with them we should be able to fix that gap and not have that lapse in coverage at all.

Sue – How many EMT’s do you have on staff right now?

Mike – We have 7 EMT’s, one is a paramedic, one is an intermediate the rest are EMT basics.

E. Chamber/Quality of Place Council Report – Mike - The library is celebrating their centennial celebration on September 30th at 11:00 AM. The Quality of Place Council met last Tuesday, there was a lot of discussion on the new home buyers program. The house on Brunswick Ave. is still available for sale. The QPC wants to continue this program after this initial home has
September 18, 2013                            Fort Fairfield Town Council Meeting Minutes

sold. After the home is sold they have plans to meet and smooth out the
guidelines that we follow. They also discussed during this meeting, the
Chamber and QPC merger that has been going through the last several months.

David – We have this house that the QPC has put back on the map and it is for
sale. I am assuming that they are not looking to start another one until this one
is sold? Have the QPC got any places in mind that they are looking at?

Mike - When we started this we were looking at seven different properties, we
went with this one because the others were not readily available at that time.
We are maintaining a list and as soon as this one is sold we will look at the list
and pick one from that.

F. Update on Senior Citizens Housing – This project is done, they have done a
great job. We are preparing for the final closing getting out of the construction
loan. Tenants should be moving in by October 1st. Will be having an open
house on Friday, October 25th.

G. Update on Library Centennial Celebration – Sue and Sharon are working on
this, invitations have gone out. We will be honoring current and past trustees
and librarians.

H. Update on Roadway Ditching Issues – Nick Archer contacted George and let
him know that DEP was getting involved in a program regarding these issues.

I. Update on Mobile Home Park – Tony – Since the last council meeting we have
not heard from Ken or Lisa Adams. I contacted the Oil and Solid Fuel Board
to see if they would send their state inspector here. To discuss one of the
known violations at the park, which are the external fuel tanks. I was informed
and so were they that at the time of the inspection that none of the fuel tanks
meet code and can be used.

J. Update on Puddledock Facility – Ron Kenneson organized a number of
members of the Fort Fairfield Fish & Game Club to stain the Puddledock
Building. Would like to thank the club and particularly Ron for taking the
time to help their community.

Old Business –

A Approve FY 12/13 Audited Financial Statement - Schedule 1 indicates that
we have a budget surplus of $141,000.00 which is being used to fund next
year’s budget and that there were no reportable conditions.

Motion: Susan LeVasseur moved to approve FY12/13 Audited Financial
Statements as presented.
Second: Jason Barnes          Vote – All affirmative

The Audited Financial Statements are on the Towns Website.
B. Approve Ordinance #13-05 to Transfer Property – The town will be conveying to Carl and Rebecca Young part of Map 22 Lot 16. The request was reasonable and will not impact the community.

Motion: John Herold moved to approve conveying to Carl and Rebecca Young part of Map 22 Lot 16
Second: Mark Babin
Vote – All affirmative

C. Approve Sale of Police Cruiser – You approved the sale of the cruiser already in the amount of $3,200.00, the person who made that bid decided that he didn’t want it. So it went back out to bid with a minimum bid of $3,000.00, which is not much. We received two bids, one for $2,557.00 and one $2,588.00. What I would like to ask the council permission to see if I can work with one of these two bidders or somebody else to pay $3000.00 for this car.

Motion: John Herold moved to authorize Dan to negotiate sale of the vehicle for no less than $3,000.00.
Second: Jason Barnes
Vote – All affirmative

D. Approve General Assistance Ordinance Appendices B-E

Motion: Jason Barnes moved to approve the General Assistance Ordinance Appendices B - E
Second: John Herold
Vote – All affirmative

VII. New Business –

A. Approve Delegates to MMA’s Annual Meeting – Each year the Town council elects one individual to represent the Town as a voting delegate and an alternate to the MMA Annual Meeting

Motion: Susan Levasseur moved to approve Tony Levesque to represent the Town as a voting delegate and Mike Bosse as an alternate
Second: John Herold
Vote – All affirmative

B. Consider Sale of Parking Lots to Acadia Medical Supply – Scott Clark has asked to table this until next month. He and Steve are looking into some things as to what exactly it is that they want to do. In the meantime Dan is working with DEP on ways to minimize the cost of the asbestos abatement. I think to tear this building down we need to carry it off site and not bury it.

So we will table this until the next council meeting.
C. Approve Town Order #13-07 to Set Mil Rate – This will leave the Mil Rate at 23 mils

Motion: Susan LeVasseur moved to approve Town Order #13-07 setting the mil rate at 23
Second: John Herold               Vote – All affirmative

D. Approve Proclamation #13-06 Honoring Doris Bernard Day on September 14th Doris Bernard celebrated her 100th birthday and it was felt that a proclamation from the Town Council was in order to celebrate this historic event

Motion: John Herold moved to approve
Second: Susan LeVasseur               Vote – All affirmative

VIII. Minutes: August 21, 2013

Motion: Susan LeVasseur moved to approve Minutes of August 21, 2013 as written.
Second: Jason Barnes               Vote – All affirmative

IX Warrants: #5- $80,034.41; #6- $333,342.55

Motion: Susan LeVasseur moved to accept warrant #5 & #6 as presented.
Second: Jason Barnes               Vote – All affirmative

X. Other – NONE

XI. Executive Session - Moved into Executive Session at 7:07 PM

IMRSA 405(6)(A) Personnel
IMRSA 405(6) © Economic Development

Came out of executive session at 7:50 PM

XI. Adjournment at 7:51 PM

Respectfully submitted,

Council Secretary
Rebecca J. Hersey
