Title 30-A M.R.S.A. §5654 states that a conditional gift for any specified public purpose offered to a municipality may be accepted or rejected by its legislative body.

Discussion: The Parks and Recreation Department inquired about a donation of a new multi-purpose building for the rec department. The goal is to replace the dilapidated warming hut located by the tennis courts with a larger, safe, multi-purpose space. We will be able to utilize the building year-round to support recreation in our community. Aroostook Trusses has graciously agreed to support this project by committing to donate the plans, wall sections, and the trusses for this project. The value of this donation is $4,000.

Vote: All Affirmative.

B. CDBG Week

Ms. Powers reiterated the importance of this Proclamation for the Community Development Block Grant program and the importance that it holds for our Community.
The Community Development Block Grant (CDBG) program was established in 1974 and is a partnership of federal, state and local governments as well as private sector, non-profit and community efforts to develop viable urban communities by providing decent housing, suitable living environments and expanded economic opportunities, principally for low- and moderate-income persons.

The Town of Fort Fairfield has received $11,215,617.00 in CDBG funds since 1984. Town projects funded with CDBG dollars include the clinic project, armory renovation and Monson pond dam and bridge project.

The proclamation proclaims the week of April 13 through April 18, 2020 as Community Development Week throughout the Town of Fort Fairfield and gives special thanks and recognition to all the participants whose hard work and devotion to the neighborhoods and their low and moderate income residents to help insure the quality and effectiveness of the Community Development Block Grant Program.

C. Tax Acquired Property for 2017 Taxes

The following is a list of properties that became Tax Acquired on March 09, 2020 for 2017 taxes and total amount due on each property as of 3/10/2019:

(A) TROMBLEYS & FULLER  
327 Houlton Road – Total Taxes Due $973.78  
Assessed Value - $10,200

(B) TROMBLEYS & FULLER  
135 Riverside Avenue – Total Taxes Due $611.05  
Assessed Value - $5,900

The recommendation is that we offer both properties back to the original owners for the total taxes due plus interest and fees to be paid in full BEFORE April 01, 2020. The Tax Collector have been contacted by one of the original owners who states that they want to keep both properties. If they pay the taxes before April 01, 2020 the properties would be on our 2020 tax roll and we would collect 2020 taxes from them.
If the original owners do not pay before April 01, 2020, the recommendation is that we offer the properties to the abutting owners with a minimum bid for (A) of $1500, and a minimum bid for (B) of $800. These amounts would include estimated taxes for 2020.

Recommendation: Town Council authorize the Treasurer to offer both properties back to the original owners with all taxes, interest & fees paid in full before April 01, 2020; or to offer the properties to abutting owners for the amounts stated above if original owners have not paid before April 01, 2020 in AS IS WHERE IS condition with no guarantees expressed or implied.

Mr. Kilcollins made a motion that Town Council authorize the Treasurer to offer both properties back to the original owners with all taxes, interest & fees paid in full before April 01, 2020; or to offer the properties to abutting owners for the amounts stated above if original owners have not paid before April 01, 2020 in AS IS WHERE IS condition with no guarantees expressed or implied.

Mr. Smith seconded.

Discussion: None. Vote: All Affirmative.

D. Interest Rate for 2020 Taxes

Delinquent Tax Rate has been set by the State of Maine at 9% maximum for 2020 Real Estate and Personal Property taxes. This rate would become effective on March 01, 2021

The higher rate often encourages tax payers to pay taxes in a timely manner versus having to pay a high interest rate. At this time, I am asking the members of the Town Council to approve the new interest rate of 9% for the 2020 Real Estate and Personal Property taxes.

Recommendation: Town Council approves the delinquent tax rate set by the State of Maine at 9% maximum for the 2020 Real Estate and Personal Property Taxes effective March 1, 2021.

Mr. Smith made a motion that Town Council approves the delinquent tax rate set by the State of Maine at 9% maximum for the 2020 Real Estate and Personal Property Taxes effective March 1, 2021.

Mr. Butler seconded.

Discussion:

Mr. Kilcollins asked about potentially offering some sort of “incentive” or reduction in percentage of interest for those who may have difficulty paying within the interest free months because of how they receive income. Mr. Kilcollins referenced mostly farmers that could benefit from this type of incentive.
Ms. Powers replied that since it is a State Mandated fee, the only thing that we are allowed to do is if they paid before taxes are due, offer a 1% or 2% discount. But then we would have to go back through our budget and account for that.

Mr. Kilcollins asked if it would be a financial benefit to the Town to offer such “bonus” to those larger tax payers if they paid earlier?

Ms. Powers – Taxes are only committed at a certain time, which is October; and then they have from then until taxes are due to pay.

Mr. Butler stated that the interest rate is set for delinquent taxes.

Mr. Kilcollins asked Ms. Powers if she notices many of the larger tax payers coming in late?

Ms. Powers responded “No”

Mr. Smith commented that everybody has the advantage by joining the Tax Club where they can start paying early and avoid that 9%. Plus, that helps the Town out because they get a fair amount of tax money up front.

Mr. Babin - “So there are options.”

Vote: All Affirmative.

X. Other

Ms. Powers informed Council of a CDBG Public Service grant that was awarded to a local Community in 2018 that was not used. This has now been opened up to other area Communities and in order for Businesses to take advantage of this program the businesses need to contact Joella Theriault of NMDC at 551-5812. This program has in the past paid for courses at NMCC including Human Resources, Safety, Water Treatment, and Plumbing. This is an opportunity for our local Businesses to send their employees to NMCC for professional development.

The Central Aroostook Chamber has also put that information on their Facebook page.
