IV. Public Comment-

Mr. Walker introduced himself as the President of the ATV club that is trying to start back up in Fort Fairfield. He is looking to reopen the club and would like to bring it in a new direction.

David Ossie spoke up in support of the ATV club saying people need a place to go, when there are no trails people are riding everywhere causing a lot of damage to properties.

V. Correspondence and Reports

A. Licenses / Permits-

1. Catering Permit to the Fort Fairfield Lions Club for the twenty-first annual “Draw for a Future” Fort Fairfield Snowmobile Club super draw supper and dance on March 5 at the Community Center.

2. Application for Liquor Licensing for the VFW Post 6187 Paul Lockhart.

3. Application for Liquor Licensing for the Fort Fairfield Lions Club.

4. Application to operate Bingo for the Knights of Columbus.

B. Financial Report – Mr. James Risner – The Town’s Real Estate and Personal Property tax collections for February were $1,049,579 compared to $917,767 for February 2015. Total tax collections as of February 29, 2016 are at $2,904,554 an increase of $251,187 compared to last year. The excise tax collections as of February 29, 2016 are at $368,637 which is 68.27% of the budgeted amount. The State revenue sharing is $154,013 which is 74.04% of the budgeted amount.
Expenses are in line with expectations. Cash flow is good with a balance of $97,206 in checking and $1,000,000 in savings after completion of Warrant #18.

The MSAD #20 preliminary budget has an increase for the Town of $57,842, which increases the Town’s contribution from $2,047,429 in FY15/16 to $2,105,271 in FY16/17. This is 2.83% increase from FY15/16 and requires a mil rate increase of .367. The treasurer and I will continue to work with MSAD #20 staff to ensure we have the most accurate data for the preparation of the Town’s budget.

The 15/16 expenses were estimated to be below budget, couple of things that are causing that, of course the mild winter, lower heating bills, less usage of the plow trucks, less fuel. There has been personnel movement in three departments so there have been sometimes we haven’t been paying personnel salary benefits. The town employees have continued to be very good stewards of the tax dollars and they continue to look for alternative ways to make that money go further.

C. Tri-community Landfill Report – Mr. Stev Rogeski – The last meeting was held on February 26, 2016 with the next meeting scheduled for March 18, 2016. We went over the closing numbers for 2015 and everything is looking good. The contract revenue for the month of February is up 40% primarily. We are still looking at the proposed deal with Presque Isle.

D. Photovoltaic (PV) Solar Energy Update – Mr. James Risner met with Marc Gendron, MSAD#20 Superintendent, and Edward Wright, Director of Renewable Energy Services, James W. Sewall Company, on February 4th, to discuss possible PV solar energy options to help reduce the cost of electricity to the Town and MSAD #20. Mr. Wright is preparing a business case analysis for installing PV solar panels on MSAD #20 property. There are investors interested in developing PV solar energy programs for municipal governments and schools. The business case analysis was received on March 10th, there are several areas in the study that I need to discuss with Mr. Wright before I am comfortable presenting it to the Council.

VI. Old Business – None

VII. New Business

A. Proclamation 16-03, Community Development Week – Mr. James Risner – The Community Development Block Grant (CDBG) program was established in 1974 and is a partnership of federal, state and local governments as well as private sector, non-profit and community efforts to develop viable urban communities by providing decent housing, suitable living environments and expanded economic opportunities, principally for low and moderate income persons. The Town of
Fort Fairfield has received $10,728,926 in CDBG funds since 1988, a complete list of funded programs are attached. March 28th through April 2nd has been designated as Community Development Week. The proclamation gives special thanks and recognition to all the participants whose hard work and devotion to the neighborhoods and their low and moderate income residents to help insure the quality and effectiveness of the Community Development Block Grant Program. X Other –

Chief Shawn Newell – Mr. Edward Dubie was hired to fill the full time position in the police department. He was in the military for eight years, former MP, he has over 16 years in law enforcement experience and he comes highly qualified.

One of things that Shawn really enjoys is public relations and getting out there and talking with the community. One of the things that is happening throughout the country is “Coffee with a Cop”, it is happening over 49 States and we don’t know of
any agencies up here who are doing this. What it is, no agenda, no speeches, just a chance to talk and ask questions. It is an opportunity for the community to meet their officers. Foster’s Subway has graciously allowed the police department to use their facility for this program and we will be starting on March 24th, starting off we will be doing this every two weeks, it is adjustable.

Other comments regarding the ATV club:

David Ossie - If we have a club we need to stick with the rules and guidelines or it is not going to work. We should use the old trails that we have utilized, make them up to date and appropriate and show the town that we mean business.

The President of the Star City ATV Club stated that he is supportive of the Fort Club getting started again, they need a place to ride.

They have been working really hard on re-doing the by-laws, making things stricter. We want people to respect people’s property. Also asked the Council to put into place a program to educate our youth on ATV safety.

XI Executive Session - None

XII. Adjournment –
