

2018/19 Youth Basketball

Boys and Girls – Grades 4-6

This program is designed to strengthen a player's functional understanding of the rules of basketball, and to improve their skills and agility. We will start by utilizing drills and fun games to grow our understanding of the rules, assist in skill development, and increase the participant's strength and agility. As the program progresses, we will break up into teams and participate in actual 5 on 5 games. These games will be semi-formal, with the focus being on skill development and sportsmanship rather than winning.

The rough schedule is posted on the Community Center Calendar; however, it is subject to change depending greatly on numbers of participants in each age group. Practice/Games will be held mostly on Wednesdays and Saturdays, starting Wednesday December 5th, and ending Saturday February 16th.
