GUIDELINES

Fort Kids First Kindergarten Contribution: NextGen 529™ (NextGen) has been selected as the investment vehicle for the Future Higher Education Initiative. The Fort Fairfield Education Fund will provide a one-time $50 contribution into a NextGen account naming a Fort Fairfield resident kindergarten child as account beneficiary. The contribution can be made to a new or existing NextGen account naming the Fort Fairfield kindergartner as account beneficiary.

To qualify: The youth must be a resident of Fort Fairfield attending kindergarten. Vouchers issued for kindergartners must be redeemed on or June 30th of the kindergarten school year. Only one contribution will be made per eligible youth.

A Fort Kids First Kindergarten voucher will be available to the parent or guardian, entitling an eligible kindergartner to receive a $50 contribution into a NextGen account naming the child as the account beneficiary. To redeem the voucher, the parent or guardian must hand deliver the completed voucher, including the NextGen account number, to the Fort Fairfield Town Office. The Town Treasurer’s Office will prepare a check made payable to “NextGen FBO [beneficiary name]” and send the check to the Finance Authority of Maine (FAME) to forward to the NextGen Program Manager for processing into your account.

Privacy: The Town of Fort Fairfield reserves the right to make the name of the contribution recipients and the parents or guardians available to the public. No other personal identifying information will be made available to the public. Please also read the privacy policy in the NextGen 529 Program Description.
